

ARGUMENT AGAINST PROPOSITION 74

PROPOSITION 74 IS DECEPTIVE, UNNECESSARY AND UNFAIR. It won't improve student achievement and it won't help reform public education in any meaningful way. Furthermore, it will cost school districts tens of millions of dollars to implement.

Proposition 74 doesn't reduce class size or provide new textbooks, computers or other urgently needed learning materials. It doesn't improve teacher training or campus safety. Nor does it increase educational funding or fix one leaking school roof.

PROPOSITION 74 IS DECEPTIVE BECAUSE IT MISLEADS PEOPLE ABOUT HOW TEACHER EMPLOYMENT REALLY WORKS. California teachers are not guaranteed a job for life, which means they don't have tenure. All teachers receive after a two year probationary period is the right to a hearing before they are dismissed.

VOTE NO ON PROPOSITION 74.

Existing state law already gives school districts the authority to dismiss teachers for unsatisfactory performance, unprofessional conduct, criminal acts, dishonesty or other activities not appropriate to teaching — no matter how long a teacher has been on the job.

PROPOSITION 74 IS UNFAIR TO TEACHERS BECAUSE IT TAKES AWAY THEIR RIGHT TO A HEARING BEFORE THEY ARE FIRED. We give criminals the right to due process, and our teachers deserve those fundamental rights, as well.

Over the next 10 years, we will need 100,000 new teachers. Proposition 74 hurts our ability to recruit and retain quality teachers while doing absolutely nothing to improve either teacher performance or student achievement. Proposition 74 hurts young teachers most. It will discourage young people from entering the teaching profession at this critical time.

THIS UNNECESSARY ANTI-TEACHER INITIATIVE WAS PUT ON THE BALLOT FOR ONLY ONE REASON — to punish teachers for speaking out against the governor's poor record on education and criticizing him for breaking his promise to fully fund our schools.

The governor says that Proposition 74 is needed. But researchers at Stanford University found no evidence to support the claim that lengthening the teacher probation period improves teacher performance or student achievement. Good teaching comes from mentoring, training and support — not from the kind of negative, punitive approach imposed by Proposition 74.

VOTE NO ON 74. Proposition 74 is designed to divert attention away from the governor's failure on education. California schools lost \$3.1 billion when he broke his much-publicized promise to repay the money he took from the state's education budget last year. Now he has a plan that budget experts and educators warn will cut educational funding by another \$4 billion.

Rather than punishing teachers, we should give them our thanks for making a huge difference in the lives of our children — and for speaking up for what California schools and the students need to be successful.

PLEASE JOIN US IN VOTING "NO" ON PROPOSITION 74.
